Thank you for choosing Redeemer Lutheran Preschool for your child.

PURPOSE

The purpose of Redeemer Lutheran Preschool is to provide an enriching environment in which children will learn based on a solid Christian curriculum. In today's world it is more challenging than ever for parents to teach their children academics while ensuring strong Christian principles. Redeemer Lutheran Preschool was designed for this very purpose. Redeemer Lutheran Preschool is a ministry of Redeemer Lutheran Church and we are thankful for the opportunity to extend our ministry in the area of preschool education.

PHILOSOPHY

The intent of our program is to encourage and support the development of children and to provide learning opportunities designed to stimulate a child's creative learning abilities within a Christian environment. Each child is a unique person with unique individual timing for growth and development. The curriculum is designed to ensure that all children will experience physical, social, emotional, spiritual and intellectual development. Our goal is to provide a Christian based learning environment with Christian values and encouragement in which each child can develop a positive sense of self worth.

CHRISTIAN EDUCATION

Classroom teachers plan daily devotionals, stories and songs to promote Christian education. Children attend chapel services in the sanctuary, which promotes appropriate worship service behavior and teaches Christian messages.

Notice of Nondiscriminatory Policy as to Students

Redeemer Lutheran Preschool at Redeemer Lutheran Church admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship programs and other school-administered programs.
